

Dear valued customers,

### **Introduction of QR Payment (Incoming) feature**

Effective 15 September 2021, we will be introducing the QR Payment (Incoming) feature on the Citi Mobile® App.

This feature will allow Citibank customers to receive incoming fund transfers into their Current or Savings account by generating PayNet's standard DuitNow QR codes.

For more information and terms and conditions of this feature, please visit <https://www.citibank.com.my/english/citi-online/citi-online-payments-transfers.htm>
